RACE RULES

- 1** The Schleck Gran Fondo takes place under the auspices of the FscI and it is open to licensed and non-licensed riders. The Schleck Gran Fondo is a qualifier event of the UGFWS
- 2** The organizer collects the following personal information from the participants: Name, first name, e-mail. This information is necessary for the organization of the Gran Fondo. The organizer respects all aspects of the European Law 2016/679 from April 27, 2016. The personal information will only be treated if necessary for the organization of the Gran Fondo.
- 3** All participant has to respect the Luxembourgish traffic rules, any rider who is violating these traffic regulations will not be covered by the organization, and the organization will deny all responsibility. The roads are at any time open to traffic.
- 4** The course is entirely signposted and has to be followed severely.
- 5** Back-up cars or vehicles are not allowed to follow cyclists. If these regulations are not respected, riders will be disqualified.
- 6** Each participant must have their own personal accidents & liabilities coverage. It is the participants' own responsibility to subscribe to an insurance contract. The organizer declines all responsibility in case of an accident or incident before, during, or after the event.
- 7** Rigid bicycle helmets are mandatory for all participants throughout the event.
- 8** The authorization of the Ministry of Transport foresees that all the riders having more than two hours delay on the first rider will be informed by the official car: "fin du parcours sécurisé" that the surveillance of the crossroads comes to an end. Passed by this car, all the riders who continue declare to respect the Luxemburgish traffic regulations.
- 9** All participants acknowledge and accept the rules and regulations in its entirety. Competitors who do not respect the race rules can be disqualified.
- 10** The organizer declines all responsibility for lost, stolen and damaged belonging.
